Little girl, don't you see,
When you look out the window
how beautiful love can be,
So believe in tomorrow!

Little girl, so confused,
In the shadow of darkness
There's still a bright light if you choose,
To believe in tomorrow.

Little girl, don't despair
When you're down look around
You'll find happiness somewhere,
Just believe in tomorrow!

And if today you feel that things are going wrong,
Don't turn away but find a way of growing
stronger!

Little girl, don't be sad,
There's always love
So come take my hand,
Let's believe in tomorrow.

Little girl, don't be proud
Raise your voice crying out
Show your feelings out loud

Let me hear you, let me hear you tomorrow!
My little girl.
