Left alone, but never forgotten.
Misunderstood , but my future is just starting.
God Is molding me and making me,
he's building me and shaping me.
A king is being formed right in front of your eyes,
So don't count me out.

When you don't see what he sees.
You can't tell, but is glory, is resting on me.
I'm his choice, after his heart.
The unveiling is starting now,
so don't count me out.

Left alone, but never forgotten.
Misunderstood , but my future is just starting.
God Is molding me and making me,
he's building me and shaping me.
A king is being formed right in front of your eyes,
So don't count me out.

When you don't see what he sees.
You can't tell, but is glory, is resting on me.
I'm his choice, after his heart.
The unveiling is starting now,
so don't count me out.
