There are times  
Words failed to describe  
The majesty of You  
So insufficient to really speak of you Lord  
But most of all  
You are the only God  
Its who you are  
There are no letters  
That fit together  
To testify  
None can describe your love  
Your mercy, that's who you are  
To tell of your goodness  
And your sacrifice  
No words that have been heard  
So I'll just say  
You are my God  
So many thoughts fill up my heart  
When I think of you  
I didn't have the grace  
To really speak of you  
Search for a way  
For me to say just  
Who you are  
There are no letters  
That fit together  
To testify  
None can describe your love  
Your mercy, that's who you are  
To tell of your goodness  
And your sacrifice  
No words that have been heard  
So I'll just say  
Oh, oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh  
Oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh  
(Repeat till end of song)
