I tried to walk away
tried not to look
just when you are to wrap your arms
and meet your lips

you know I'd give it all
gave you your freedom
so that you can live a life better than this

but it seems
that all I do is stupid
and every lie I cats it keeps me burning'

so don't go knocking' on my door
and say that you are here to say
that you are happy anyways
I gave your life back
and don't dare running back to me
when love starts to crack and tumble down
this time I won't be staying' around
shall i repeat?
you're no longer part of me

ooh ohh yeah yeah

i wake up everyday
learning that love can feel so good
and right but end up being wrong whoa

I'm thinking everyday
Of how it felt when we're together
and you're my shelter where I am safe

but it seems it all ust makes me stupid
when half of missing you is plainly hurting

so don't go knocking' on my door
and say that you are here to say
that you are happy anyways
I gave your life back
and don't dare running back to me
when love starts to crack and tumble down

this time I won't be staying' around
shall i repeat?
you're no longer

part of me...

I need back n=my life need mus longer time
to finally say goodbye
I know you're alright, know you're doing fine
but baby tonight

don't go knocking' on my door
and say that you are here to say
that you are happy anyways
I gave your life back
running back to me
when love starts to crack and tumble down
this time I won't be stayin' around
shall i repeat?
you're no longer part of me... meee oh!

mmmm.... ohhh.... yeah yeah..

not part of me..
