Somebody please tell me exactly what love is  
Cause I don't know if this is true  
You thing I've been cheating I might just prove you  
right  
Cause I am tired of your games and this shit right here  
Tonight you're standing calling my name  
And shorty is crazy cause I wanna go  
I thought you were the one  
I could go right into the city with my niggers ..  
Rap about the past and .. bitches that wanna blow  
The night is young but moving fast  
All these niggers in your face open for you to crash  
I sit and laugh and I learn it couldn't have came at a  
better time  
They say I am gone you ain't never lie.. like a song  
But I wanna hear your respond  
Until I get to number one  
Will you hate it or love it  
Lord I hope they love it  
Cause I have been working too hard  
And this feeling deep in my stomach

#### Chorus

I just really hoping  
You will come in  
(repeats)

In my town I am an underground legend  
Can't wait to dig my way out  
Ruffle my sex and bitch  
Cause I am the flyest nigger in the state  
But they love me from the covers .. to the gates  
Look something happened while I was gone  
.. was super strong got me thinking about life  
I got to be moving wrong  
Still sitting at the crib .. every moment  
Every song I got fans all around the world  
Is that why you .. when I stand around your girl  
Is that .. tripping nigger ,  
For real all this commotion over ,

It won't be long before we shake hands

,

Chorus

Thanks to feel
