I put on this dress for you  
Betcha dreaming you could take it off  
Standing in my high-heel shoes  
Seems as if your eyes can't get enough  
Am I the girl for you?  
Probably not, but you're pretty hot  
Didn't say you're going to,  
But don't fall in love with me

I'm a heartbreaker, gotta let you know  
I'm a risk-taker, if you wanna go with me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove  
I'm a heartbreaker and my soul is free  
I'mma gonna take you on a ride, but promise me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove

I heard they wrote a song about me  
Called the ballad of Jayme Dee  
And I never meant to hurt no one  
I was only having fun  
That's why you should stay out the kitchen  
You will get burned, haven't you learned  
You've been hooked, but I'm just fishing  
Don't fall in love with me

I'm a heartbreaker, gotta let you know  
I'm a risk-taker, if you wanna go with me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove  
I'm a heartbreaker and my soul is free  
I'mma gonna take you on a ride, but promise me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove

Stop now  
You don't want in this cruise down  
You'll be falling and I don't  
Got the patience to sweep up the pieces  
And put you together again, oh again, cause

I'm a heartbreaker, gotta let you know  
I'm a risk-taker, if you wanna go with me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove

I'm a heartbreaker, gotta let you know  
I'm a risk-taker, if you wanna go with me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove  
I'm a heartbreaker and my soul is free  
I'mma gonna take you on a ride, but promise me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove

I'm a heartbreaker, gotta let you know  
I'm a risk-taker, if you wanna go with me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove  
I'm a heartbreaker and my soul is free  
I'mma gonna take you on a ride, but promise me  
Don't you cry when it's time for goodbye, love  
Au revoir, c'est la vie, fly away dove
