Verse 1 (Jayy Perry):

It's two in the morning,
You know I'm tipsy from this alcohol
Halfway to faded
I'm having visions of your pillow,
Your bed is where I wanna fall,
You know it feels amazing
That's when I go crazy.

Pre-Chorus:

Every time we touch, every time we kiss,
I swear it feels like the first time
I'm looking for your love
And I know where you live
I'm dialing your number
Don't get my hopes up.

Chorus:

Im speedin' tryna get to ya
(Speeding doin' 95 on 95)
I'm feenin' for your attention,
(Speeding doin' 95 on 95)
And when I get to you, I'm gonna make sure you know
why
I'm speeding trying to get to you
(Speeding doin' 95 on 95)

Verse 2:

Don't wanna be reckless
(Nooooo)
But I know exactly what I want,
And I'm impatient.
Wish I could press fast forward,
Skip to the point of pleasure
Cause I hate waiting,
That's what I go crazy

Pre-Chorus:

Every time we touch, every time we kiss,
I swear it feels like the first time
I'm looking for your love
And I know where you live

I'm dialing your number
Don't get my hopes up.

Chorus:

Im speedin' tryna get to ya
(Speeding doin' 95 on 95)
I'm feenin' for your attention,
(Speeding doin' 95 on 95)
And when I get to you I'm gonna make sure you know
why
I'm speeding trying to get to you
(Speeding doin' 95 on 95)

Bridge:

Swervin' through lanes, intoxicated
Sexting you saying, "I'm on my way"
Hope that your body's ready for me,
For me

Swervin' through lanes, intoxicated
Sexting you saying, "I'm on my way"
Hope that your body's ready for me,
You make me feel some type of way

Pre-Chorus

Chorus
