Ooh la la Ooh la la Ooh la
Ooh la la Ooh la la Ooh la
Ooh la la Ooh la la Ooh la
All for love all for love

Did you love me
Did you ever really love me?
Light the pilot of this unrequited fire
Was I dreaming
Or did I drink too much?
Did you love me
Did you ever love me?

You turned my world
Right upside down
And I fell off the Earth
I hope it was worth it
For love for love all for love

You wrecked my heart
When you fucked with my head
Don't know which way is up
I've run out of luck
In love in love all for love

This is bullshit

This is some fucking bullshit
Picturesque, grotesque,
Your heart is a devil in a sequin dress
We had magic
Like abra cadabra
This is bullshit
This is some fucking bullshit

You turned my world
Right upside down
And I fell off the Earth
I hope it was worth it
For love for love all for love

You wrecked my heart

When you fucked with my head
Don't know which way is up
I've run out of luck
In love in love all for love

I'm done
I'm through with you
I'm done
I'm done
I'm done
But I did it all for love
