I think you're sexy when all of your clothes are oh-oh-on
It's like I get you when all of your words are wro-wro-
ong
We don't need money it's not what gets us alo-o-ong
We get along
Yeah, we keep moving o-o-on

And we dance
And we cry
And we love
Till we die

I came to my senses one day I said hey hey
I think you cute I wants ta make you my baby
Sexy, funny, who needs money
When you wanna fuck like a buncha bunnies
I think you cute I wants ta make you my baby

I like to dance around in my underwear when I'm home
You like to sing in the mirror when you think you're
alone
Oh yeah you're different and you're crazy
And you're not a clone
You ain't a clone
You ain't a mindless dro-o-one

And we dance
And we cry
And we love
Till we die

I came to my senses one day I said hey hey
I think you cute I wants ta make you my baby

Sexy, funny, who needs money
When you wanna fuck like a buncha bunnies
I think you cute I wants ta make you my baby

I can be your senses
See the music,
Hear the dance
And when we touch

Lights will flash and titans will clash

And we dance
And we cry
And we love
Till we die

(Work) I came to my senses one day I said hey hey
I think you cute I wants ta make you my baby
Sexy, funny, who needs money
When you wanna fuck like a buncha bunnies
I think you cute I wants ta make you my baby

Work work work work (Eh)

I came to my senses one day I said hey hey
I think you cute I wants ta make you my baby
Sexy, funny, who needs money
When you wanna (bark) like a buncha bunnies
I think you cute I wants ta make you my baby

You betta be dancing
Fucking like a buncha bunnies
You betta be dancing
