Let's have a real good time

Let's have a real good time  
Tonight tonight  
My teeth are stained with wine  
Let's spin this bottle right

Fingernails scratch down my back  
Fear I'll face a heart attack  
Eyes roll back  
We fade to black  
And we explode

Oh, put me on a leash  
Unless you want me to bite  
Oh, just say sit and stay  
Or I'll get up and walk away  
Oh, my fuse is short  
It's like I've never blown before  
Oh, I'll love you till I  
Oh, I'll love you till I  
3-2-1 Explode

Let's keep this disco hot  
So we kill the lights  
Raise up a line of shots  
It's going down tonight

Fingernails scratch down my back  
Fear I'll face a heart attack

Eyes roll back  
We fade to black  
And we explode

Oh, put me on a leash  
Unless you want me to bite  
Oh, just say sit and stay  
Or I'll get up and walk away  
Oh, my fuse is short  
It's like I've never blown before  
Oh, I'll love you till I

Oh, I'll love you till I  
3-2-1 Explode

Oh, it's getting rowdy  
Oh, it's getting louder  
All the sweaty people  
Just want to take their clothes off  
Just want to take their clothes off  
Take their clothes off  
Take their clothes off

Oh, put me on a leash  
Unless you want me to bite  
Oh, just say sit and stay  
Or I'll get up and walk away  
Oh, my fuse is short  
It's like I've never blown before  
Oh, I'll love you till I  
Oh, I'll love you till I  
3-2-1 Explode
