"Fuck Em All"

Money, brains, sex, culture
Forget about all that bullshit
Fuck em all

Love, beauty, ugly, normal
Who the hell decided what was normal
Fuck em all

I am feeling hot tonight
And I'm gonna get my man, alright and
Tip it back my party people
Did it once, let's make the sequel
Let em know just how we feel

Fuck
Fuck em all
Fuck em all
Fuck em all
Fuck em all
Fuck em all now
Fuck all y'all
Fuck all y'all

Dance, drink, carefree
They can't tell you who to be now
Fuck em all

Make it work with blind ambition
Life is hard, we live it vicious
Fuck em all

I am feeling hot tonight and
And I'm gonna get my man, alright and
Tip it back my party people
Did it once, let's make the sequel
Let em know just how we feel

Fuck

Fuck em all
Fuck em all
Fuck em all

Fuck em all
Fuck em all now
Fuck all y'all
Fuck all y'all

Walk around the club like
Ah ah ah
Didn't say the magic word
Nah ah ah
Laugh in your face like
Hah ha ha
Shut your mouth with your
Blah blah blah

I am feeling hot tonight and (I'm feeling hot tonight)
And I'm gonna get my man, alright and (my man
alright)
Tip it back my party people
Did it once, let's make the sequel
Let em know just how we feel

Fuck
Fuck em all
Fuck em all
Fuck em all
Fuck em all
Fuck em all now
Fuck all y'all
Fuck all y'all

Come on sing it with me now say
Fuck all you bitches out there
Fuck all you bitches
I be living my life

Ooh, real talk.
