Jb:

Sitting here with my cat on my lap I
Spend my time wishing I was outside
Letting the rain camouflage my tears

Uni:

Laying here while I stare up at the ceiling
3AM and I can't sleep again
In every dream you've got a starring role

Jb & Uni:

Please
When did sorry become just a word
Please
When did love become just a verb

Jb:

Walking around like a zombie in my own skin
GaGa comes on, it's 'Speechless' again
We'll never talk
We'll never sing along

Jb & Uni:

Please
When did sorry become just a word
Please
When did love become just a verb

Words and texts fill up my mind
and my memory's full memory's full
And my heart can't stop beating this drum and
my eyes can't stop these tears over you

Jb & Uni:

Please (I'm in love with you, why can't you just see the
truth)
When did sorry become just a word
Please (Please I've been feeling blue, I'm so lonely
without you)
When did love become just a verb

Please I'm in love with you

Why can't you just see the truth
Please I've been feeling blue
I'm so lonely without you
