Look in my look in my eyes  
Looking like looking like death tonight  
Wake up get your head out of the gay club  
If you want it you can find love  
Look in my look in my eyes

Eat a dick eat a dick  
Now ya feeling sick sick  
Throw it up quick  
Better stick to chick chicks  
I won't quit you ain't sick  
So until you figure it out  
Baby, you can chill in Quarantine

Quarantine  
Quarantine  
When you figure it out  
You can talk to me  
Quarantine  
Quarantine  
You can't win this fight  
And you can't keep it clean

Simmer down  
Chill it out I won't bite  
Simmer down  
Chill it out well not tonight  
Back up lay your life out on the dance floor  
Map it out and get it right or  
Simmer down chill it out  
I might bite

Eat a dick eat a dick  
Now ya feeling sick sick  
Throw it up quick  
Better stick to chick chicks  
I won't quit you ain't sick  
So until you figure it out  
Baby, you can chill in Quarantine

Quarantine

Quarantine  
When you figure it out  
You can talk to me  
Quarantine  
Quarantine  
You can't win this fight  
And you can't keep it clean

Sex and drugs  
And zombification of thugs  
Are you dead or alive cuz all you really want is love

Go get up kiddo  
Get out my life said

I won't fight you  
Na-na-na-na-na-na-na-uh

Eat a dick eat a dick  
Now ya feeling sick sick  
Throw it up quick  
Better stick to chick chicks  
I won't quit you ain't sick  
So until you figure it out  
Baby, you can chill in Quarantine

Quarantine  
Quarantine  
When you figure it out  
You can talk to me  
Quarantine  
Quarantine  
You can't win this fight  
And you can't keep it clean

Eat a dick eat a dick  
Now ya feeling sick sick  
Throw it up quick  
Better stick to chick chicks  
I won't quit you ain't sick  
So until you figure it out  
Baby, you can chill in Quarantine
