She doesn't know I kissed her brother

Whoa oh oh  
I got a story for ya  
Whoa oh oh  
And kiddies it's about love  
Eh eh eh  
Well once upon a time  
Eh eh eh  
Her brother was mine

Whoa oh oh  
A little shorter than moi  
Whoa oh oh  
A little bit of Bieber  
Eh eh eh  
It's a little bit wrong  
Eh eh eh  
But we just get along

Two shots of rum and gin  
Now we three sheets to the wind  
Probably won't ever happen again  
But we danced all night just me and him

She doesn't know I kissed her brother  
She doesn't know he's not half bad  
She doesn't know I'd do it again  
She doesn't know I'd love him all night yeah

Hey is it wrong now  
or is it alri-i-ight  
Hey I don't know what to do  
I don't wanna start a fi-i-ight  
Oh my lover  
my bad boy lover  
my best friend's brother  
Is it wrong or is it ri-i-ight

Two shots of rum and gin (rum and gin)

Now we three sheets to the wind (to the wind)  
Probably won't ever happen again (happen again)  
But we danced all night just me and him

Just me and him  
Me and him  
Just me and him  
Just me and him  
Just me and him  
Just me and  
You  
You

She doesn't know I kissed her brother  
She doesn't know he's not half bad  
She doesn't know I'd do it again  
She doesn't know I'd love him all night yeah

She doesn't know Oh oh
