Mine mine mine mine  
You are mine

I can say beyond a shadow of a doubt  
It's you I cannot live without  
My love

I was broken on the day you came around  
Emotions I had lost were found  
My love

Love me, hate me, never break me  
If you leave I'll stop breathing  
Kiss me, hold me, I'm so lonely  
If you leave me I'll stop breathing

Mine mine mine mine  
You are mine

Desperation has a face, it has a name  
The day you spoke it I was changed  
My love

There is no option when it comes to breaking up

I'll handcuff you to my love  
My love

Love me, hate me, never break me  
If you leave I'll stop breathing  
Kiss me, hold me, I'm so lonely  
If you leave me I'll stop breathing

Mine mine mine mine  
You are mine

Operation love possession  
Consolation prize in question  
There is no stopping me  
I will be your one and only

Operation love persuasion

I'm right for every occasion  
There is no helping me  
I'm mad for my one and only

(You are mine) Mine mine mine mine  
You are mine

Mine
