i'm your ride or die, faithfull till the end  
i'm your romeo,could you be my juliet  
(x2)  
were like bonnie and clyde,crusin in the ride no matter  
what we'll be side by side  
no lie,why even try, if this was titanic than i would  
die(for you)  
i'm drowning, you can be loose, i'd keep you warm as  
my body floats  
your beautiful i want you know

it's the best story never told  
(x3)  
i'm your ride and die, faithfull till the end  
i'm your romeo,could you be my juliet  
(x2)  
i'm your super hero here to save the day  
i'm super man i will always stay  
throw off the glasses, but on the cape  
sweep you off your feet and fly away

i dont know what i'd do without you  
nobody else can replace you

gonna grow wrinkled in the whole

this is the best story never told  
the best story never told  
the best story never told

i'm your ride or die, faithfull till the end  
i'm your romeo,could you be my juliet  
(x2)

that's why fairytales were made up, eternity's not long  
enough to be with you  
that's why fairytales are made up, if forever did us part  
it would be to soon

i'm your ride or die, faithfull till the end  
i'm your romeo,could you be my juliet  
(x5)
