I like a foreign girl I'm talkin' Brazil

I'm movin' to LA, I'm talkin' the Hills

But in order to talk this, I'm talkin' them bills

I use to be cocky now I'm above that,

Sixes for the bitches

Killah shirt I suppose

and if it aint killah then I guess I'm rockin' Bape

see other niggas gone hate cause they know they can't
relate

cause you know I'm living great

and you see I'm getting cake

yea you see I'm getting dough

but you already know, I got
