Super man B, ay look!

I'ma bad beer, beer what you know about it  
everything that ..with my flow around  
when take dough around, y'all  
then you know it's crowd  
y'all, got them bitches face down with their booty drop  
bag like I never work on, gone  
took a trip to ..when I get the phone ho  
no baby I got off the top of my dawn  
that's better give me niggas hoes I'm y'all know  
mister better than who ever I ..this jet though  
beast got bars you can get em for the low  
got freaks got bros always probably my phone  
I can hardly do my business 'cause they want me alone  
And this ..

Hook:

They know that jay though one fly bello  
I'm balling liek the brind bitch I'm balling like mellow  
you see me rolling bad she can't help to say hello  
'cause I pull up in that cool whip inside jello  
I pull up in that cool whip inside jello  
I pull up in that cool whip inside jello  
when I have that pretty mother f\*cker like hella

White jay black..came along I can sway for that ..  
run see all I got a bad bitch  
oh, ride low behind that nana y'all no bitch shit  
that's my cally ..spit my cally though  
have the drive all the way to the city 'cause she live in  
the belly though  
y'all but she know my cally flow  
I ain't have to spit no game, no  
all I had to say it's what's up name and it was over me  
..out these bottles I ain't me and that's alright with me  
'cause you'd better came with ain't even think  
'cause she already know the J  
it's always ..one flight bellow

Hook:

Hello, ladies how you're doing  
this blow is crazy girl I gotta say something to  
pass the number and this ain't come see me  
I have back in my mother f\*cker car and turn that Jesus  
up on my stereo, you niggas scenario  
face thing it was spot too long  
this nigga try to burry you  
see me getting that action  
all these niggas can't stand it  
when I pull up in my ..  
she know who the man is ..
