So people are talkin, causin a ruckus  
About how disrespectful, ungrateful me and Jas are  
becomin  
How we treat or mom, how we're just so wrong  
Because she's on Twitter tweetin about how she is so  
done  
I'm tired of all the questions, all the shit bein said  
That ya'll can't believe that we could treat her like this  
Sendin tweets and DM's, assumin that it's all true  
Now Imma ask (Yes!) I got some questions for you  
WHAT WOULD YOU DO if your mom LIED straight to  
your face  
Said you were gettin no money but STOLE 3 grand form  
your bank  
Tellin her kids she has CANCER, to preventa divorce  
Then SCAMS your friends and fam, with not an ounce  
of remorse  
Sayin that it's for kimo but no treatment at all  
Man I prayed every night for sickness to be solved  
WHAT WOULD YOU DO?  
Then findin out there's no CANCER at all  
Can you imagin how we felt hearin this all?  
Or what about when we were starvin at home  
No food in the kitchen, we were all skin and bones  
Cryin for food but she'd rather buy some cigarettes  
And spend her time all day gossipin on the phone  
How would you feel if you found your sister with  
bruises  
Notfrom her boyfriend but OUR MOTHER bein abusive  
Pullin her hair, slappin her face- callin her a slut  
When my mom forcedmy sister on boys when she was  
young  
Threatenin if she didnt, she'd never go out  
But my sister is wrong for finally speakin out?  
What would you do? How would you feel?  
She even has OUR fans against us askin what's the  
deal  
What would you do if your mom took the word of the  
lord  
And used it as a weapon against you to win a war  
Ya'll sayin shit to my sister, Jinsu and my dad  
When the real person RESPONSIBLE ya'll havin her

back?!

That shit is sad do you even know what it's like?  
To be destroyed by your mother winnin with lies?  
Bringin people in when they know the truth  
Witnessed my sister BEATEN BY THE HANDS of the side  
that they choose  
One day I'll never forget is when she put up a fist  
Tried to swing at my sister and I took the hit  
My dad drove 5 hours to protect5 her from harm  
Then she kicked me out, cause defendin my sister is  
wrong  
CPS got involved, Jas was THREATENED to lie  
They told my dad he'd LOSE HIS KIDS if he'd give it  
another try  
WHAT WOULD YOU DO?  
This is WHY its our COLDEST HEARTBREAK  
Jas turnin 18 was her GREATEST ESCAPE  
But now that she's free, she's doin WHATEVER IT TAKES  
For us to break, but we're wrong for the shit that WE  
SAY?  
Don't tell me I'm that were stupid for bringin drama to  
Twitter  
When my mom stared this by LYING that Jinsu hits her  
She'll do anything, by all means ANYTHING TO WIN  
Includin breakin the hearts of her OWN damn kids  
Eminem bashes his mom, poor him  
But if our mom TELLS LIES to make us look bad, it's  
fuck them  
Manipulative as ever, deserves a damn Oscar  
Is this even worth it? Should I even bother?  
She'll deny, cry tears like she really cared  
This wasn't told for pit but just to be fair  
This is the last Imma speak of this, just know that I'm  
done  
Ya'll decide wich story and side to choose from  
WHAT WOULD YOU DO? (yeah) WHAT WOULD YOU DO  
HUH?  
And I'm gone...
