Dreamers
And Prayers
We don't know
What's out there
There's no way
We'll wake up
There's no way
They leave us alone, alone...

So whisper
A little Prayer
We are dreaming
And parying yeah

We're just low-fence
We'd shelter
And we'll dare
To share the air
Oh despair and we'll dare
To Jump High
And fly away
With broken wings, no wings...

So whisper
A little Prayer

We are dreaming
And praying yeah

So whisper
A little prayer
We are dreaming
And praying
Someone is watching

We were just laughing
We were dying
It was all a lie
A bean in our eye
Our tears were so dry

So whisper

Oh stay away
We are dreaming
And praying yeah

We were just laughing
We were dying
It was over
Our tears were so dry
For naught, for naught
