Sometimes I never smile
being my momma's 1st child
If only I can make a girl stay a while
that would make my day go wild
but here I go alone
single again here singing a song.
if only I can change my life
I would try to make things right
I try,U try
to be a good guy
but i end up feeling bad inside
as I look at the sky at night
I can only hope things will be alright
cuz in my sight
everything's wrong
and here I am
on this song
not giving a damn
of what hatters say
cuz i know I'll see a better day!
when u see me

u think I'm happy
but look in my eyes n then you will see
it's true
the grass is not green on the other side
it's up to u
if u wanna hide
all the things u feel inside
behind these behind these sad brown eyes!
every day as i wake
people slowly fade away
use to be fun back in the day
so hard to day good bye to yesterday
the good times r gone
in the past n now where i belong
cuz these days i don't know
i feel like i lost my soul
to be happy that's my goal
but how can i in a world that's cold
never thought things would change so fast
i guess u can say I'm stuck in the past
cuz the good times seems to never last
now i don't know where to go
and i don't know what to do
but only can express singing to u!
when u see me
u think I'm happy

but look in my eyes n then you will see

it's true

the grass is not green on the other side

it's up to u

if u wanna hide

all the things u feel inside

behind these behind these sad brown eyes!

today I'm gonna make a way

to my change my life

n make things right

u think I'm good but u don't see my sad eyes!

I say!

here I go here I am

sad eyes of a lonely man

yeah!

when u see me

u think I'm happy

but look in my eyes n then you will see

it's true

the grass is not green on the other side

it's up to u

if u wanna hide

all the things u feel inside

behind these behind these sad brown eyes!

here I go here I am

sad eyes of a lonely man

here I go another day!
