I donâ€™t really want to do this,
But I havenâ€™t got a choice.
I donâ€™t want to say this
But Iâ€™m hearing my own voice.
Baby I love you from the bottom of my soul
And baby Iâ€™m gonna love you till Iâ€™m old.

-

First Time:

Youâ€™re the sun that shines so bright
Turns my whole day into gold
Youâ€™re the stars that light my sky
When the night is so cold

-

Second Time:

I meant it when I said
For ever I would hold
Thought you meant it too
But I see it wasnâ€™t so.

-

Bridge:

But that last call has me
In the bottom of this glass
And all of our future
Has just become our past.
Pictures that he sent me
Are tearing through my heart.
Baby itâ€™s the end, not the start.

-

Chorus:

This is the last call youâ€™ll ever get from me.
Itâ€™s the last time youâ€™ll ever hear me say these
things.
Itâ€™s the last call Iâ€™ll ever make to you
Itâ€™s the last callâ€¦. â€˜cause baby weâ€™re
through. :REPEAT:

-

Final Stinger:

Yeah baby itâ€™s the last call.
