[Lil' Jon]

There's something I wan't to tell you
Cause I know that a brother got needs tonight
I ain't trippin on yo pimpin cause that shits tight
But you gotta pay tonight
I know you wanna get laid tonight
But I'm trynna get paid tonight
We ain't even gotta fuss and fight
Just give me mine
It's on all night
I know you wanna get in bed with me
But you gotta come correctly
Nothin in life is free
Especially not me
I hope you
Can feel me
When I say
Pay before you play with me
Wanna taste this
But it's priceless
It might be sumthin you ain't never done before
But I'm not yo ordinary hoe
(repeat lines wit stars once)

[Chorus]

I said I'm off in the club (shawty)
Not lookin fo love(shawty)
But I'm lookin fo a gurl(shawty)
One I can cut(shawty)
Like lil' mommma in the blue(shawty)
She so got-damn cute(shawty)
But she say she need cheese(shawty)
Before she get wit me(shawty)
Well let me see(shawty)
What it might be(shawty)
And what's yo fee(shawty)
For my fantasy(shawty)
Now I ain't rich(shawty)
But I spend a lil' bit(shawty)
So who you wit(shawty)
Lets do this shit(shawty)

[Lil' Jon]

I know you wanna get laid tonight
But I'm tryna get paid tonight
We ain't even gotta fuss and fight
Just give me mine
It's on all night
I know you wanna get in bed with me
But you gotta come correctly
Nothin in life is free especially not me
There's somehtin I wan't to tell you
Cause I know that a brother got needs tonight
I ain't trippin on yo pimpin cause that shits tight
But you gotta pay tonight

[Chorus]

Shit what you talkin bout (shawty)
That didn't come out yo mouth (shawty)
You say you wan't some cash (shawty)
Before I hit that ass (shawty)
I'm not yo boy (shawty)
I ain't no toy (shawty)
Don't play no games (shawty)
Cause I ain't lame (shawty)
But fo my gurl (shawty)
I'll give her the world (shawty)
Ain't no thang (shawty)
To give up that change (shawty)
Now I ain't rich (shawty)
But I spend a Lil' bit (shawty)
So who you wit (shawty)
Lets do this shit (shawty)

[Lil' Jon]

I know you wanna get laid tonight
But I'm tryna get paid tonight
We ain't even gotta fuss and fight
Just give me mine
It's on all night
I know you wanna get in bed with me
But you gotta come correctly
Nothin in life is free
Especially not me
I will get with you
If you wan't me too
And i'll be by your side
If the price is right
Take care of me and i'll take care of you
Nothin in life is free
Especially not me
I gotta get paid

If you wan't me
Come correctly
Might be sumthin you ain't never done before
I'm not yo ordinary hoe
