[Bun B]

From the land of the trill, where the vanity's real  
And yo man'll be peeled or at least branded, God-  
damnit we ill  
More horror than "Amityville", no sorrow; hand me the  
steel  
Your tomorrow I can't even feel - oughta be plannin ya

UGK ain't dropped in a while, but still we stoppin ya

smile

Keepin boppers in file, standin on top of the pile  
And you'll get popped with a smile, this ain't bout  
shoppin and style  
This bout syrup and candy paint, you see us choppin  
for miles  
Out the black and the 'Lac, swingers clap and if they  
take yo' flax  
You'll get smacked for your packs, paper stacks and  
you'll crack-back yo' back  
Hold up, they got game to sell ya, from drugs to  
paraphenalia  
Gun that'll never fail ya, ask Rollie B, he'll tell ya

[Eightball]
