I feel the struggle inside  
The battle for my mind  
Is happening tonight  
which personality is driving me  
Straight to insanity  
The suspenses killing me:  
Which mask will I wear tonight?  
One that's full of darkness or one of blinding light  
As I feel my pulse raise waiting for my plight  
Which mask will I wear tonight?  
I am not responsible you'll see  
For whichever one of me abandons you  
I am not the one who gets to decide  
Who is going to have the time of my life  
I am stuck inside of my own pantomime  
Who'll live out my fantasy  
The suspenses thrilling me  
Which mask will I wear tonight  
One that's full of darkness  
Or one of blinding light  
As I fell my pulse rise waiting for my plight  
Which mask will I wear tonight  
I am not responsible you'll see  
For whichever one of me abandons you 2X
