Hey what up!

I (I) feel (feel) like (like) Gettin' Money

I (I) feel (feel) like (like) Gettin' Money

Se-Seven Day- Seven Days of the week

Se-Seven Day- Seven Days of the week

Now, Hey how ya' doin'

Let's get it right to it

< can't hear this part...>

Bad bitch beside me say that she just wanna screw me

I said I got a camera

C'mon let's make a movie

I walk inside a and I get right to it

I shut the club down now the owner try to sue me

See, she want to me f*ck her, take her home and show her

I told her that I bet we get it hotter than a toaster

Promise one thing, won't stop until it's over

Cause, I've been known to push a lot of green like a mower

And everything is Kosher, but I don't even know her

A little purple tin on the sprite and I'm slow

I (I) feel (feel) like (like) Gettin' Money

I (I) feel (feel) like (like) Gettin' Money

Se-Seven Day- Seven Days of the week

Se-Seven Day- Seven Days of the week

I (I) feel (feel) like (like) Gettin' Money

I (I) feel (feel) like (like) Gettin' Money

Se-Seven Day- Seven Days of the week

Se-Seven Day- Seven Days of the week

Seven days of the week

I be lookin' for a freak

I'm just tryna' find a little something maybe I can beat

I ain't need to trip and keep a secret, baby I can't eat

I'm just tryna' get a mouth full of that Georgia Peach

Damn, I'm sorry I ain't subtle at all

I only know two things, baby hustle and ball

And I'm telling ya'll the truth, I ain't stuttin' at all

I get it you hall and back that thing up to the mall

Yeah stack man jones
I got four fours
Got one for the truck, one for the girl at home
Got one for the freak that I got on the side
Got one for the club, but we keep that one quiet
Damn, I'm finally...
