[Verse 1: Tha Real U] [Lyrical Verse]

Dark past, full of evil endeavours  
Illuminating the dark world  
With stupid errors

Terrors?  
I have none  
Boy, I'm hooked up  
To the son

ADSL Connection  
To a place called  
New Jerusalem

Ill Scripts  
Bro, they sound way to gham

Exclamation mark in Junio?  
Sorry man, That's dum

What's the A for?  
The Alphabet?

Last time I heard  
These idiots  
Only started learning how to rap

So they dissed Major  
Is that supposed to be a threat?

They more like a diss to themselves  
Cause they sound rather crap

yeah I know I'm moderate  
But for you losers  
Psychology is what you need to be  
Lyrically appropriate

Don't mess with that  
The Realist on this track  
Kill Mathematics

Best believe I kill  
Useless crap

Blah blah blah  
There u go again  
With that  
Rhyme of some1 in a professional shack

So your boast about opinions  
I'ma boast about the facts

YEAH!!  
Hala back

[Hook]

Lord Have Mercy & pity on your son  
From what I once was to what I have become  
Lord Have Mercy, L L L Lord Have Mercy  
Lord Have Mercy and pity on your son

[Verse 2: Jempas]

Lord have mercy on them  
They just little rookies  
They donâ€™t really know what they doing  
They donâ€™t know the game  
They donâ€™t know whatâ€™s cooking

You all just lilâ€™ Chihuahuas tryna bark out loud  
But donâ€™t ever let me catch you rats  
In front of a crowd  
Coz then you gonâ€™ die boy  
Iâ€™ll knock out your lights boy  
I swear youâ€™ll never make it out here alive boy

You ni\*\*aâ€™s like lying  
You all just liar liars  
The only truth you told  
Is that you are bev\*k  
In your kop

And you smell like gop  
Your eye-balls look like snot  
They only style you like  
Is handing out blow-jobs

Junio-A? What the f\*ck thatâ€™s gay  
You asses think yal insane  
But for yal itâ€™s all just in vain

[Hook]

Lord Have Mercy & pity on your son  
From what I once was to what I have become  
Lord Have Mercy, L L L Lord Have Mercy  
Lord Have Mercy and pity on your son

[Verse 3: Tha Real U] [Message Verse]

Now I'm back in this thing  
Let your autotune sing

That I am an underground king  
Now matter wat you damnwell think

Ous is bev\*k?  
Sowi hulle klink  
soe 'n drol in a toilet  
dat is geblok

Lil sain? Lil insain?  
My bru, even your rap name  
Sounds like it's a big pain

In the A you know  
The one you see next to that  
Stupid name called Romeo and Junio

Yeah I called him gay, that white stripe don't lie

And I know your brothers on that track  
down in Weston  
Ha they should rather die

Whatever u got on with Tylon  
I don't give a shit

But I just want yal to know

I'm the educator  
And I'm teaching it!

Close your eyes homie I'ma about to start  
Preaching it

Lord have mercy  
Upon these rappers who have no idea  
What real Hip-Hop is

This for Legacii too  
They think they really cool

Shaloma brings the peace  
But the peace I have  
The world can't give to you

Go back to school  
Where you actually use real words  
Instead of swearing  
With useless curse words

And yo I got more plays  
Then you so bunny  
Shut up, cause you only one of  
The West Coast's bottom few

I challenge you  
To an online duel  
Let's see who still has  
Enough fuel

I have a tank  
That takes me to heaven and back  
You have a drank  
That makes u piss rhymes  
That sounds like the shit  
Your constipated ass  
Forever lacked

R.E.A.L Me  
F.A.K.E You

My flow, original  
My theme, spiritual  
My aim, inspirational  
Yal aim?  
It's nothing at all.

Escalator up like I'm at Weskus Mall  
But to yal it's just a fall  
I hope they kick yal like a ball

Quit, quit, quit being hollow  
Your rhymes so cliché like YOLO  
Kiss my ass, you deserve that sorrow  
Sooner or later you can kiss my polo  
Sorry gay boy, but no homo!  
(haha haha ha ha ha ha haaa)

[Hook]

Lord Have Mercy & pity on your son

From what I once was to what I have become  
Lord Have Mercy, L L L Lord Have Mercy  
Lord Have Mercy and pity on your son
