I could always break away
Join a cult, become a saint
Find a way to break the truth
Fall back in love with you

I don't know just what to say
But your pictures still in my hand
Hey cheater, nice to see ya
Regret it's nice be ya

Ohhhh and this I know, I'm as good as gold
And I swear that you won't bring me down
And yes I know, I'm as good as gold
I'm as good as gold, oh oh yeah

Heavy dancing in the night
Strong love up against a fight
Full moon and birds that sing
Promises and diamond rings
Dirt road to an upbeat town
Mess with me and I'll beat you down

Hey trust, it's nice to see ya
Good luck it's nice to meet ya

Oh and this I know, I'm as good as gold
And I swear that you won't bring me down
And yes I know, I'm as good as gold
I'm as good as gold, oh yeah

For all those days I didn't give a dang
Sat there while you trashed my name
He found the missing piece of me
The one you stole from me

Tomorrow is a brand new day
A sky's a sky even its grey
I think I'm getting somewhere
A new me out from under

Ohhhh and this I know, I'm as good as gold
And I swear that you won't bring me down

And yes I know, I'm as good as gold
I'm as good as gold, yeah
