It's simple livin'™
And good lovin'™ alright
Sippin'™ on whiskey
Runnin'™ barefoot in the night
Our folks keep callin'™, but we're way out of
sight
Climbin'™ up on the the hay barn
To count the stars at night

It's southern heaven
That's where we are
With green grass and the river flowing through the
back of the yard
It's just like heaven
Cause the love feels so right
Watchin'™ the world passin'™ by, with my cowboy
tonight

You bring me flowers
From your mama's backyard
Fireflies in the evening, when I'm kissin'™ you in
the dark
Playin'™ my guitar at the town's local dive
And the blue jeans I love most cost me \$19.95

It's southern heaven
That's where we are
With green grass and the river flowing through the
back of the yard
Just like heaven
Cuz the love feels so right
Watchin the world passin by, with my cowboy tonight

No matter where you're from, the country makes
you feel at home
No matter where you're from, you feel at home

Southern heaven
That's where we are
With green grass and the river flowing through the
back of the yard
It's just like heaven

â€˜Cause the love feels so right
Watchin' the world passin' by, with my cowboy
tonight

It's southern heaven
That's where we are
With green grass and the river flowing through the
back of the yard
It's just like heaven
â€˜Cause the love feels so right
Watchin' the world passin' by, with my cowboy
tonight
