Now, I've got a weakness
And it's found in a first kiss
My mind tells me "no"
But my heart just wants to go

I'm green like a Nashville spring
Wide eyed and breathtaking
My daddy tells me "no"
But my heart just wants to go

So keep the wise advice
I'm gonna live my life
I'm never thinking twice
Keep it for someone not as adventurous as I

I'm on a runaway train
And I am heading east
And along the way I don't know who I'll meet
Falling for sinners
Crying over losin' fools
And maybe one day, if the Lord has it, I'll stumble
into you

So keep the wise advice
I'm gonna live my life
I'm never thinking twice
Keep it for someone not as adventurous as I

[Instrumental break]

So keep the wise advice
I'm gonna live my life
I'm never thinking twice
Keep it for someone not as adventurous as I

Drove down the i-35
Made it to the city skyline
I'm glad I ran, cause here I am, I stumbled into you
Sittin' at the end of the bar
Brown eyes like my Taylor guitar
Took my own advice, I'm livin' my own life, and
what I got was you

So keep the wise advice
Iâm gonna live my life
Iâm never thinking twice
I finally found the love of my life
