I'll get away from you darlin'
I'll get high hopes
God's been watching
Said, "Leave that man alone"

Cause everybody loves you
Yeah, everybody loves you, Oh-
Oh, everybody loves you

I once knew this man
I found him falling
I was falling from a plan
Do I keep my head high?
Keep my head low?
Do you keep your head high?
Keep your head low?

Keep your head high
Keep your head high
Keep your head high
Keep your head high

Cause everybody loves you
Yeah, everybody loves you, Oh-
Oh, everybody loves you

I once knew this man...

Keep your head high
Keep your head high
Keep your head high
Keep your head high

Keep your head high
Keep your head high
Keep your head high
Keep your head high

Keep your head high
Keep your head high
Keep your head high
Keep your head high

Cause everybody loves you
