"Oh My Heart"

Visit "[Oh My Heart](#)" on [MotoLyrics.com](#)

You look like a movie star from this angle
Oh tell me I've got my bangles on
I can dance and dance while the band plays on
Oh you took me by surprise
White coat in arms and sweet lullabies

[Chorus:]
Oh my heart
Oh my heart
Oh my heart
Oh my heart (2x)

Well I've got something that can be wasted
So tell me all your dreams and lets get wasted
Oh you took me by the nile
We made a bed of grass and layed there for a while

[Repeat Chorus:]

You look like a movie star from this angle
Oh tell me I've got my bangles on
I can dance and dance while the band plays on
Oh you took me by surprise
White coat in arms and sweet lullabies

Chorus

You buy me
You buy me your love
You buy me
You buy me your love x2

"c'mon everybody!"
