Hello, white dove  
He brings me letters from now on when he comes  
Flying so he catches words and sings the verse as he  
goes

Ooh ooh,

So long my love, so long my love  
(So long, so long, so long my love)  
So long my love, so long my love  
(So long, so long, so long my love)

Taking it back, taking it back  
Taking my heart back to where he found out  
[x3]

Taking it back, taking it back

Hello, my dear  
It's not too late to get you fast out of here  
Stay low, no one will catch you  
Keep it close as you go

Ooh ooh,

So long my love, so long my love  
(So long, so long, so long my love)  
So long my love, so long my love  
(So long, so long, so long my love)

Taking it back, taking it back  
Taking my heart back to where he found out  
[x3]

Taking it back, taking it back

(Come back my love baby, take it back my love)

Taking it back, taking it back  
Taking my heart back to where he found out  
[x3]

Taking it back, taking it back

So long my love, so long my love  
(So long, so long, so long my love)  
So long my love, so long my love  
(So long, so long, so long my love)  
[x2]
