My eyes have seen you in the secret place.
My heart's been touched by you in the deepest ways.
My hands have felt you Lord, leading me.
I've been held by you so tenderly, beautiful you.

What else could I do, but open up my
heart and worship you?
Beautiful you.
What else could I do, but open up my arms
and dance with you?

My eyes have seen you in the secret place.
My heart's been touched by you in the deepest ways.
My hands have felt you Lord, leading me.
I've been held by you so tenderly, beautiful you.

What else could I do, but open up my
heart and worship you?
Beautiful you.
What else could I do, but open up my arms
and dance with you?

I know there's no one like you. There is no one like you.
There is no one like you.
No, there's no one, no one Lord like you.

What else could I do, but open up my
heart and worship you?
Oh Beautiful you.
What else could I do, but open up my arms
and dance with you? I will dance with you.
