Can you hear the crowd screaming?
From there
When will I wake up from this dream
It's better
Be this dedicated to me
Cause whole damn, I just noticed
That they're about to give me
The key to the city
Oh but your roadblocks aren't better
Throw at her
That's ok cause you know that
I'm flying through the air
Just saved a country by
That's why they want to give me the key

Uh everybody say
Oh, he's a hero
Watch him go
So we got to show him
That we love him
And we trust him, we do
So let's give him the key to

They say I'm a brother
But I work too hard for me to enjoy the of it
But one thing is for sure
This is where I want the bed
It's always good when
I'm hoping I made it clear that you
Can't stop me bitch
And I hope you know you yet to hear the best of it
Want you to know that
I'm grateful for the gifts

Uh everybody say
Oh, he's a hero
Watch him go
So we got to show him
That we love him
And we trust him, we do
So let's give him the key to

Everybody say
Oh, heâ€™s a hero
Watch him go
So we got to show him
That we love him
And we trust him, we do
So letâ€™s give him the key to

Summing up yea
Batmanâ€™s here, so give me the keys to the city
No, Iâ€™m more like Wolverine
â€¦
Hold up, hold up
Know that you been waiting so long, so long
For me to save the day yea
Now Iâ€™m here â€¦
Show no fear
Thatâ€™s my word
Thatâ€™s why the more flop to me
Superhero
Got to want to talk to me
All types of chick get in the coop mixed with egg fried
rice
Thatâ€™s why they got to want the want from me
If you call Iâ€™m running
Show me the signal
All of your money
You should bet on me
And all I need is to be a superhero

Uh everybody say
Oh, heâ€™s a hero
Watch him go
So we got to show him
That we love him
And we trust him, we do
So letâ€™s give him the key to
