I can barely write this
Cause you're walkin' out on me
I can only think about it
That's why I can't eat or sleep
Still I'm holdin' on, to the dream
Hope you haven't let it go
Hope you know, the other day
The other day was difficult for me
Hearing you say you didn't want me
I've got it on repeat, in my mind
Can I just say that I regret everything
What I did to make you think
I'll never change

You'll be stronger after this, they said
But what's the point if I can't lift you up, lift you up
Figured I'd write a song to show you I'm not too proud
to beg
But what's the point if you don't turn it up to understand

I'm not givin' up on us, on us, on us
I'm not givin' up on us, on us, on us (heyy)
Not givin' up on us, on us, on us (ohh)
Not givin' up on us, on us

I don't know where to go from here
I didn't, I didn't think this was, I didn't think this would
happen

I'm tryin' to keep it together
Don't say goodbye, cause forever
Is what I want for us, I don't wanna stop bein' in love
Baby turn me up, I, I'm not gonna give up

You'll be stronger after this, they said
So what's the point if I can't lift you up, lift you up
Figured I'd write a song to show you I'm not too proud
to beg
But what's the point if you don't turn it up to understand

I'm not givin' up on us, on us, on us
I'm not givin' up on us, on us, on us (heyy)

Not givin' up on us, on us, on us (ohh)
Not givin' up on us, on us
