Yeah, It, It's just not about Metropolis  
I'm tryna save the whole world  
I believe that's why I came here  
I just wanna see everyone happy  
Just wanna see everyone grow and smile  
I know I talk a lot, but I just wanna see a peaceful day  
Yeah

I wanna be without a job  
I wanna see the planet celebrate  
I wanna, witness the first day they don't, cry  
I wanna laugh until I die  
Look at my girl right in the eye  
I did it baby, are you proud of me  
Yeah, Ohhh

And that's why I can't stop  
No I'll keep flyin' around and around till I do it, uh  
I'm not the type to ever give up  
I've been given these powers for a reason  
And I promise to use em'  
For the good of mankind  
I'll forever try, I love to see em' smile  
I don't wanna go wrong and I can't let em' down  
Cause I, Cause I

I wanna see a day without war  
I'm wondering if they would get along  
I gotta make a day for the people  
I just want a day where it's peaceful

Where it's peaceful(x4)

Gotta make a day for the people  
I just want a day where it's peaceful

Mhmm, well kinda understand how I'm just one guy  
Everyday it's, superman save this person  
Do this, Do that, Fly here, Fly there  
And, save my cat out the tree (laughs)  
Everyone just chill out, give me just one day  
Please

As the world breaks down  
My responsibility to do my best goes up  
When there's no one around  
I'm always the one to call, Mr. He's Perfect For The Job  
But I'm tired, of fightin'  
If I said I ever enjoy this I was lyin'  
I can't seem to get away, I never get a day

And that's why I can't stop  
No I'll keep flyin' around, and round, and round, and  
round  
I'm not the type to ever give up  
I've been given these powers for a reason  
And I promise to use em'  
For the good of mankind  
I'll forever try, I love to see em' smile  
I don't wanna go wrong and I can't let em' down  
Cause I

I wanna see a day without war  
I'm wondering if they would get along  
I gotta make a day for the people  
I just want a day where it's peaceful

Where it's peaceful(x4)

Gotta make a day for the people  
I just want a day where it's peaceful

I wanna see a day without war  
I'm wondering if they would get along  
I gotta make a day for the people  
I just want a day where it's peaceful

Where it's peaceful(x4)

Gotta make a day for the people  
I just want a day where it's peaceful
