(Carving my initials on your..)

(Carving my initials on your forehead)

(Carving my initials on your..)

(Carving my initials on your forehead)

Now if you're never gonna move, oh my love

You'll make me come to you

But I'm still dancing on my own

Still dancing on my own

Although I'm coming close to you, oh my love

I'll keep the dancefloor warm

But I'm still dancing on my own

Still dancing on my own

Won't dance, not without you

Small steps, they lead only to your heart

You keep me wishing in the dark

What's wrong, you cannot lose

My eyes only see to your heart

You keep me wishing in the dark

(Carving my initials on your..)

(Carving my initials on your forehead)

Now if you're never gonna move, oh my love

You'll make me come to you

But I'm still dancing on my own

Still dancing on my own

Although I'm coming close to you, oh my love

I'll keep the dancefloor warm

But I'm still dancing on my own

Still dancing on my own

I know you hear me but can you reach me

Feel free to touch me and we can play hard

With body's jerking, but still I'm working

I'm new to moving, and we can play hard

Now if you're never gonna move, oh my love

You'll make me come to you

But I'm still dancing on my own

Still dancing on my own

Although I'm coming close to you, oh my love

I'll keep the dancefloor warm

But I'm still dancing on my own

Still dancing on my own

We can play hard (Carving my initials on your..)

Hard, hard (Carving my initials on your forehead)

We can play hard, hard, hard

We can play hard, hard, hard

Hard, hard (Carving my initials on your..)

Hard, hard (Carving my initials on your forehead)

We can play hard, hard, hard

We can play hard (Carving my initials on your..)

Hard, hard (Carving my initials on your forehead)

Hard, hard

Now if you're never gonna move, oh my love

You'll make me come to you

But I'm still dancing on my own

Still dancing on my own

Although I'm coming close to you, oh my love

I'll keep the dancefloor warm

But I'm still dancing on my own

Still dancing on my own

Now if you're never gonna move, oh my love

You'll make me come to you

But I'm still dancing on my own

Still dancing on my own

Although I'm coming close to you, oh my love

I'll keep the dancefloor warm

But I'm still dancing on my own

Still dancing on my own
