Torn between my lover and my best friend
My heart aches when I think about
The things I feel for this new infatuation
And a friend I could never live without
He broke her heart he might break mine
All we can do is hope that time will

-

CHORUS

Tell me
We found a way to make it
Help me
To forgive myself
If we don't just
Tell me
We didn't have to break it
Tell me all in time

-

Cast a spell so I can see it clearly
If he's worth taking the chance
Which one of you will turn out to be my soulmate
Is it friendship or romance
Hard to tell if we never try
All we can do is hope that time will

-

CHORUS

Tell me
We found a way to make it
Help me
To forgive myself
If we don't
Just tell me
We didn't have to break it
Tell me all in time

-

All we can do is
All we can do is
All we can do is hope that time will
All we can do is hope that time will

-

CHORUS

Tell me

We found a way to make it
Help me
To forgive myself
If we don't just
Tell me
We didn't have to break it
Tell me all in time

-

All we can do is
All we can do is
All we can do is hope that time will
All we can do is hope that time will
Tell me...
