So will you never be my loveri» ¿
or my valentine never
be a Friend of mine
never see my better side
maybe you'd be terrified
of all the secrets
you were wishing you won't ever find
is deep inside me
And i don't wanna hide me

cause i know about my love
cause i know about my love
cause i know about my love
cause i know about my love

Pick it fast like a flight
far away from here
Although i know i feel at home
whenever you are near
Live my life
you better cold cut to this
I wish you'd just hold me open
just to see your vision clear

cause i know about my love
cause i know about my love
cause i know about my love
cause i know about my love
