I guess you wonder where I've been  
I search to find a love within  
I came back to let you know  
Gotta thing for you  
And I can't let go

My friends wonder what is wrong with me  
Well, I'm in a daze  
From your love, you see  
I came back to let you know  
Gotta thing for you

And can't let go  
See people go around the world for love  
The thing they never find  
That they dream of

What you won't do  
Do for love  
You tried everything  
But you don't give up  
In my worlds only you  
Make me do for love  
What I would not do

My friends wonder what is wrong with me  
Well, I'm in a daze  
From your love, you see  
I came back to let you know  
Gotta thing for you  
And I can't let go

And though I only want the best it's true  
I can't believe the things  
I do for you

What you won't do  
Do for love  
You tried everything  
But you won't give up  
In my worlds only you  
Make me do for love  
What I would not do [x5]

I don't want to be bold  
Boy I gotta to let you know  
Jessie got a thing for you  
I can't let go  
I don't want to be bold  
Boy I gotta to let you know  
Boy you knock me out  
What would you do [x3]  
Do for love  
What would you do [x3]  
Do for love
