You and I, bloodline  
We come together every time  
Two wrongs, no rights  
We lose ourselves at night

From the outside, from the outside  
Everyone must be wondering why we try  
Why do we try?

Baby in our wildest moments  
We could be the greatest, we could be the greatest  
Baby in our wildest moments  
We could be the worst of all  
Baby in our wildest moments  
We could be the greatest, we could be the greatest  
Baby in our wildest moments  
We could be the worst of all

Oo-oo. Oo-oo.

Wait on, thunder sky  
Wherever there's smoke, there'll soon be fire  
What could bring bad luck?  
I've been looking at you too much

From the outside, from the outside  
Everyone must be wondering why we try  
Why do we try?

Baby in our wildest moments  
We could be the greatest, we could be the greatest  
Baby in our wildest moments  
We could be the worst of all  
Baby in our wildest moments  
We could be the greatest, we could be the greatest  
Baby in our wildest moments  
We could be the worst of all

In the middle of it  
We walk, we walk the line  
Looking back (on the set)  
Our wildest moments  
Are you thinking what if  
What if we ruined it all?  
My wrecking ball

From the outside, from the outside  
Everyone must be wondering why we try  
Why do we try?

Baby in our wildest moments  
We could be the greatest, we could be the greatest  
Baby in our wildest moments  
We could be the worst of all  
Baby in our wildest moments  
We could be the greatest, we could be the greatest  
Baby in our wildest moments  
We could be the worst of all
