Rainbow
Were the colours of the rainbow (oh)
(rainbow)
He grew up in the city
Had a lot of money
Something off his daddy all the time
He lives in a bubble never had a struggle
he's far from the benifit line
But he feels blue sometimes,
and his blood bleeds red like mine.
The grass is greener on the other side
what im saying is were all alike
Were the colours of the rainbow (yea yea)
lets share our pot of gold
were the colours of the rainbow (yea yea)
everybodys on the yellow brick road
Theres enough for you, you, you
theres enough for me, me, me
were the colours of the rainbow (yea yea)
This mummy in the ghetto gotta work a double
just to pay the bills
and get more power to ya
Youre doing what ya do ya
everybody steady on your grime
But he feels blue sometimes
And his blood bleeds red like mine
The grass is greener on the other side
what im saying is were all alike
Were the colours of the rainbow (yea yea)
lets share our pot of gold
were the colours of the rainbow (yea yea)
everybodys on the yellow brick road
Theres enough for you, you, you
theres enough for me, me, me
were the colours of the rainbow (yea yea)
Hello Hello why does everybody get so mad?
yellow, yellow its the colour for the battle in my head
I need pink in my life
like love in my heart
silver in the sky as we rock with the stars
We just cant keep fighting anymore
Were the colours of the rainbow (yea yea)

lets share our pot of gold
were the colours of the rainbow (yea yea)
everybodys on the yellow brick road
Theres enough for you, you, you
theres enough for me, me, me
were the colours of the rainbow (yea yea)
colours of the r-r-rainbowwww
