[VERSE ONE]

Steppin' in the club, lookin' around lookin-lookin'
for love
Feelin' the groove and it's making me move, Just
want the attention.
Feelin' all them stare, there's hate in this club, hate-
hate-hate everywhere
Tired of caring what all of them say, won't give them
satisfaction.

[POST-VERSE]

Then you have the balls to step-step to me
And say would it be okay if we were to get up out of
here to talk.
Nothing else you can say, time now to walk away
Fool, you lost your damn mind!

[PRE-CHORUS]

Sick of here lookin' now at your face
Wonderin' how quick that I can race out this
conversation
(Wah-Wah-Wah-Wah-Wah-Wah) Out my Face!
Time is up I can not stand your voice
Makin' me feel like I don't have a choice
Noise is gettin' to me so just,
(Wah-Wah-Wah-Wah-Wah-Wah)

[CHORUS]

Out my face-face-face, outta my face-face,
Wishin' that I could erase-race-race, out my face-face
Get out my personal space-space-space, outta my
face-face
No more time for you to waste-waste-waste, out my
face-face
Ou-ta-my FACE!

[VERSE TWO]

Came here to have some fun, won't stop until it's
done
You know I'm the wild one, gettin' louda till we see
the sun.
I see you creepin' me out so you best believe

Don't have the time to say it once or twice just let me breathe.

[POST-VERSE TWO]

Now that I've been listening to your B-S
please spare me as I confess to not giving a (Shhh)
what you're saying.

Nothing else you can say, time now to walk away
Fool, you lost your damn mind!

[PRE-CHORUS]

Sick of here lookin' now at your face
Wonderin' how quick that I can race out this
conversation,
(Wah-Wah-Wah-Wah-Wah-Wah) Out my Face!
Time is up I can not stand your voice
Makin' me feel like I don't have a choice
Noise is gettin' to me so just, (Wah-Wah-Wah-Wah-
Wah-Wah)

[CHORUS]

Out my face-face-face, outta my face-face,
Wishin' that I could erase-race-race, out my face-face
Get out my personal space-space-space, outta my
face-face
No more time for you to waste-waste-waste, out my
face-face
Ou-ta-my FACE!

[BRIDGE]

Don't wanna come off rude's my normal attitude,
The night is young and so just let it go and change the
mood.
Let's start the night off right, don't bother me
tonight,
The party's bumpin' so get out of my- FACE!

[PRE-CHORUS]

Sick of here lookin' now at your face
Wonderin' how quick that I can race out this
