"Fire Never Sleeps"

I feel the heat rising
the flames of my horizon, are at my door
I'm staring at the ruins
the embers of our brokenness, scattered on the floor

This fire never sleeps
His fire never sleeps

I see that hope is coming
so pull me from the ashes, ignite my soul
Please, burn away the darkness
cause love is like a furnace
where Your fire never sleeps

Burn oh my soul; set me on fire
Burn oh my soul; light up the fire
Burn oh my soul

Stop, I never want to miss You
Something new is being born
and we were born for this
Lord, we know a day is coming
when we'll look into Your eyes and see a fire that never
sleeps

This fire never sleeps
This fire never sleeps

Burn oh my soul; set me on fire
burn oh my soul; light up the fire
burn oh my soul; Your fire never sleeps
Your fire never sleeps

Purify my heart
Purify my heart
Spirit fall on us
Spirit fall on us

Burn oh my soul; set me on fire
Burn oh my soul;

Burn oh my soul; when You set us on fire

Burn oh my soul; light up the fire
Burn oh my soul; His fire never sleeps

Burn oh my soul; set me on fire
Burn oh my soul; light up the fire
Burn oh my soul; His fire never sleeps
His fire never sleeps

Your fire never sleeps.
Jesus, Your fire never sleeps
