Verse1:

You found me in the darkness and brought me to light
You took my lifeless heart and gave me life
Cleanse me from my sin and fill me up
With Your spirit and with Your Love

Verse 2:

Now I'm laughing at the things that once had me bound
I'm dancing in the freedom that I found
Cause Your love is better than life
Lord I long for you more than I ever did before

Chorus:

I can't get enough of you
Cause I am in love with You
And oh how I long for You
Cause I am in love with You

Verse 3:

So here I am to worship with open eyes
Now I want to live a blameless life
Cause I am finally living at last
Give me hope to leave my past

Verse 4:

I will not keep silent, I will sing out
The wonder of God and His great love
Everyday my heart is in lust for You
So I will abandon myself to You

Chorus:

I can't get enough of you
Cause I am in love with You
And oh how I long for You
Cause I am in love with You

Bridge:

It burns like a blazing fire
Rises like a mighty flame
My greatest desire
To be seated in love by Your name

Chorus
