Verse 1

If I drove a brand new Caddy
I might turn a head or two
But I prefer my beat up chevy
Cause weâ€™ve been through a thing or two

You may be frayed around the edges
Just like my favorite pair of jeans
And you have had your share of heartache
But that makes you stonger than you seem

Chorus

Sometimes the world comes
crashing down around you
You want to hang your head and cry
Sometimes you feel youâ€™re
not much to look at
But there is more to you
than meets the eye

Youâ€™ve been giving your best,
seems itâ€™s never enough
Though some people see coal,
you are a diamond in the rough
Under pressure your heart
becomes scarred in places
But a scar is much stronger
than what it replaces

Verse 2

Each day sees you trying harder
You get back up each time you fall
But, baby, tryingâ€™s always better
Than if you never tried at all

Repeat Chorus
