Verse 1:

Youâ€™re a marathon shopper,  
Coffee bar hopper.  
You can sit through ballet, Reba, and Opera  
For my love.

Youâ€™re a donâ€™t fool around,  
Who puts the toilet seat down.  
Who serves up and do the dishes.  
Even clean the kitchen counter up,  
You canâ€™t do enough.

Chorus

Baby thatâ€™s you,  
Youâ€™re my man.  
You can be what I need  
Better than anybody else can.  
You can do me right,  
And do it all night long.  
Baby thatâ€™s you,  
And thatâ€™s what turns me on.

Verse 2:

Youâ€™re a back woods, 4 wheelin,  
Poker playin, card dealin.  
Cooler totin, bass boatin,  
Rowdy ridin, reelin fool.  
And I think thatâ€™s cool.

Youâ€™re a tire changing, oil checkin,  
Honky Tonkin, red neckin.  
Nother bob dealer, or a one man wreckin crew.  
And I like that too.

Chorus x2
