Chances, what are the chances -  
The chances that I'd find you?  
Stealin' glances, across a crowded room -  
And takin' a chance or two.

Love - it has a funny way of knowin' what to do.  
Oh, but the chances, what are the chances -  
The chances that I'd find you?

Instrumental-----

Old romances, I've had a few -  
But none like this before.  
The circumstances, that brought me to you  
Are they just chances and nothin' more?

Love - it has a funny way of showin' what is true.  
Oh, but the chances, what are the chances -  
The chances that I'd find you?

Instrumental-----

(Love - it has a funny way of knowin' what to do)

Oh, but the chances, what are the chances -  
The chances that I'd find you?
