Are you angry with me?
Did I make you feel blue?
Did I do something wrong?
Or is what I didn't do

Tell me (x3)

Tell me what I can do

Did I do you wrong?
When I meant to do you right
Been waiting so long
Let's not spoil the night

Why don't you just

Tell me (x3)
Tell me what I can do
Tell me (x3)
To make it up to you

Tell me that you want me
Tell me that you need me
Why do you have to taunt me?
Why do you have to tease me?
Come a little closer
I really wanna know you
There are things that I could tell you
But I think rather show you

Tell me (x3)

Tell me what I can do
Why don't you just

Tell me
Tell me what I can do
To make it up to you

Tell me that you want me
Tell me that you need me
Why do you have to taunt me?

Why do you have to tease me?
Come a little closer
I really wanna know you
There are things that I could tell you
But I think rather show you

If I said something wrong
If I let you down
If I wasn't strong
If I was not around
If you're angry with me
Did I make you feel blue?
Did I do something wrong?

Or is it what I didn't do?
